

BIRMINGHAM

Sarah S. Glover

SHAREHOLDER, CIPP/US

Sarah's Profile

Sarah is a member of Maynard Cooper's Cybersecurity & Privacy practice. She has earned the ANSI-Accredited Certified Information Privacy Professional/United States (CIPP/US) credential through the International Association of Privacy Professions (IAPP).

Sarah's practice focuses on cybersecurity risk assessments, cybersecurity incident response planning, cybersecurity and privacy compliance, training, and policy development, vendor management and contract negotiation, and data breach response. She also helps clients analyze cybersecurity risks associated with new technologies and potential acquisition targets. Her clients include businesses from a variety of industries, from Fortune 500 companies to technology start-ups.

Sarah is a frequent speaker and author on cybersecurity risk management. Her work has been published in the Sedona Conference Journal and The Alabama Lawyer. Sarah was appointed to serve as the Vice Chair of the Alabama State Bar Cybersecurity Task Force. She is an adjunct professor at the University of Alabama School of Law, where she teaches a course on privacy and data security law.

She received her J.D. magna cum laude from the University of Alabama School of Law, and she holds a B.A. summa cum laude from the University of Alabama.
