

WASHINGTON D.C.

William F. Stiers

DIRECTOR OF FEDERAL AND INTERNATIONAL
AFFAIRS

Bill's Profile

An accomplished government relations professional with over 30 years of experience in Washington, D.C., Bill helps shape public policy, legislation, and regulations. Over the years he has established strong working relationships with decision-makers in the legislative and executive branches of the federal government.

Bill's experience on Capitol Hill and with various administrations has benefited clients, both publicly traded and privately held entities with complex regulatory, legislative, and political matters. An expert in processes, Bill's reputation spans multiple industry sectors including national security, international affairs, aerospace, aviation, biotechnology, healthcare, financial services, manufacturing, construction, transportation, and education.

Over the course of his career, Bill has worked with nearly every federal department and agency, as well as every congressional committee. He has served as the Washington, D.C. Office Managing Director and Political Action Committee Chair for a Southeastern corporate law firm, worked for a political advertising and public relations firm, managed a political fundraising company, and served as a Congressional staffer for two U.S. Representatives. Bill earned his B.S. in Economics from the University of Alabama.

Bill Stiers is a Government Relations professional working with Maynard Cooper and is not an attorney.
